Commissioner of Patents and Trademarks

Art Unit: 1761

The brief does not contain a heading identifying the related appeals and interferences directly affected by or having a bearing on the decision in the pending appeal as required by 37 CFR 1.192(c)(2).

Also, the brief does not contain a correct copy of the appealed claims, 37 CFR 1.192(c)(7). It appears that claim 5 has been numbered claim 4.

Note too, information appears to have been omitted at the end of each of the two paragraphs under the heading "Statement of Issues".

Note that a COMPLETE NEW BRIEF including a new corrected appendix of claims is required-attachments to or supplement to the original brief are not acceptable.
